### ***Staying Healthy and Enjoying Spring...***

#### **SPRING EVENTS PLANNED WITH EMPHASIS ON HEALTH**

**March 30, 2006**

The 2006 Board of Directors (BoD) held its second meeting of the year on February 25 to plan for this year's activities. Many exciting events await our NTUAA members. Two spring events are planned with emphasis on staying healthy and improving health. These are designed to be informative, educational, and fun at the same time. On *April 22*, it is the first seminar of a series on Integrated Medicine; both speakers of this event are proud alumni of NTU.

Exercise is also an integral part of staying healthy. Therefore, on *April 29* it is our Annual Tennis Social, which have been sponsored by NTU alumni for many years. This year it'll be held jointly by NTU and NCKU (成功大學). **Both events require pre-registration.** The following sections of this newsletter will give more details.
