Board Met to Finalize Planning for Two Events in April

April 16, 2006

The board members of 2006 met for the third time this year on April 8th. They first surveyed the planned site of this year's Annual Meeting: Harvest Moon Restaurant (會賓樓) in Falls Church, Virginia. In the meeting held at an Old Country Buffet afterwards board member responsibilities were finalized for the two upcoming April events: **Integrated Medicine Seminar on Allergies** (過敏氣喘中西醫雙效自療法) on April 22nd and our **Annual Tennis Social** (網球交誼) on April 29th. Member responses to the March newsletter and new ways to serve members' needs were among the other issues discussed at the meeting.

Feedback from March Newsletter

For our March newsletter, we tried the HTML format and also injected pictures and Chinese characters. We asked your input and comments on the new style. Many of you responded. In general, you said you liked the new style. Some said they could not open the Chinese. We are sending this newsletter in both the HTML and PDF formats. Hope all can enjoy reading it.

Need Quality Employees?

Some of you inquired if the NTUAADC can help with alumni's job hunting, especially young graduate students, new to the area. We thought, why not. There are quite a few alumni-run businesses in this area, scientific, technical or otherwise. If you need help, why not give the NTU graduate a priority consideration. Quality guaranteed! Please post your requirements to the newsletter editor or contact Dr. Kwo-Sen Kuo at 301-352-5779 or email: ntu2kuo@verizon.net. This newsletter will serve as a conduit to match talents and businesses.

What's New

校友及母校動向

We are adding a column to the newsletter on the latest happenings of alumni and/or our alma mater. Please send in a short paragraph on this subject if you know of any change of status to any of our members. We will try to include it in the next newsletter.

- Ben Chao (趙丰; Physics '73) accepted the position of Dean of the College of Earth Sciences at the National Central University in Taiwan.
- Norden Huang (黃鏗; Civil Engineering '60) accepted a job offer at the National Central University in Taiwan.
- Campus-wide athletic meet (台大校運會) was held from March 24-26. Besides the traditional track and field, marathon and relay competition, added events were basketball, volleyball, table tennis, badminton, tennis and administrative team's 1600 meter relay. The Azalea Festival (台大杜鵑花節) was held at the same time and opened to the public. Imagine the bustling atmosphere!
- NTU and the University of Jordan (約旦大學) signed Memorandum of Understanding to promote academic exchange and cooperation between the two universities in the future.
